Global Logistics

In the event of sending shipments after the last departure of our export line in accordance with the indicated date, storage costs **may appear in our warehouse according to the applicable offer**. In the absence of information in the offer, **the fee will be charged at the rate of 3.5 eur/pallet** per calendar day over 3 calendar days of storage.

Attention!

In the 52nd and 1st week of January (**until 06.01**) German branches are not working or are working in a very limited scope, which means that we will not be planning standard distribution during this period.

In all directions (including Germany) groupage service in week 51 and 1st and 2nd week of January'25 may require an extended **transit time of +1-4 working days** due to service restrictions at partners, holidays, driving bans and pile-up of goods before and after Christmas/New Year/Epiphany (**06.01**).

We would also like to inform you about difficulties at the beginning of December due to the holiday:

- **06.12 (Fri) in Spain and Finland** - holiday which causes a long weekend. In connection with the above, we would like to inform you that the transit time for groupage shipments in the ES and FIN direction collected at the end of week 48 and week 49 will be extended by +2 working days.

If you have any questions, we remain at your disposal at the phone number **22 267 96 00** and at the email address **info@geis.pl**.

Thank you for your understanding,
Geis Team
